DIRECTIONS TO APPLEY BRIDGE OFFICES

Travelling on the M6 - come off at Junction 27 – follow the A5209 (signposted Parbold) and take the first road on the left, after about 50m (Back Lane). Continue down the lane until you get to a T-Junction (B5375). Turn right into Skull House Lane and follow the road up a slight incline until you come to a small business park on the right. Turn right (at the Blackthorn offices), then first left into the car park and our office entrance is on the side.
